Asbury Park, NJ (PHANTOM POWER PRODUCTIONS) September 13, 2004 -- Jersey Shore singer/songwriter BOB BURGER has received his first Asbury Music Award nomination for "Top Male Solo Artist" after release of his debut solo album CYMBALS AT DAWN (Big Brave Music) in late 2003. Nominee showcases will be taking place between September 15 and September 30 at various music venues around the Jersey Shore. BOB BURGER is scheduled to perform at The Saint on Sunday, September 19, 2004 when his "Top Male Solo Artist" category is featured (Doors 7 pm; \$7). The winners will be announced at The 12th Annual Asbury Music Awards on Wednesday, October 20, 2004, at The Stony Pony in Asbury Park, New Jersey.

BOB BURGER has previously been awarded The RIAA's Gold Record award in 1998 for his work with Glen Burtnik (Styx) on "Edge Of A Century," and was a 1990 quarter finalist winner in the American Song Festival for his solo composition "Turn Away." In addition to the Asbury Music Award nod, BOB BURGER has received immediate acclaim for his work on CYMBALS AT DAWN evidenced by UPSTAGE MAGAZINE'S "Search For Intelligent Nightlife" selection as best album for 2003, KWEEVAK.COM'S "Best CD of the Year" award for 2003, and his numerous featured artist credits in print journalism and online music communities such as SaveSURGE Radio, Unsigned Online Radio, Indie Radio Live, The Daily Vault and Bands Thriving on Fans.

Now a coveted credit for local independent artists (bands and individuals represented by major labels are not eligible), the Asbury Music Awards premiered in 1993 the vision of Scott Stamper, co-owner of The Saint, and Peter Mantas, co-owner of Airplay Records. The Awards were originally created as a response to the area's longstanding live original music scene and were inspired by a desire to "give something back" to the fans and the community. A panel of industry veterans including local promoters, sound technicians, radio programmers and club owners are responsible for selecting award nominees, show performers and hosts/emcees. Voting is not open to the general public, however, a strategic voter selection process ensures that record stores, radio stations, area clubs, music-related businesses, newspapers and local music enthusiasts are all represented in the final tally.

BOB BURGER'S website, www.BobBurger.com features exclusive news and updates, downloadable music and videos, links to relevant entertainment resources and sneak previews of upcoming projects and promotions. CYMBALS AT DAWN is available for purchase at several online retailers, most notably www.amazon.com and www.cdbaby.com. BOB BURGER is currently touring the local area in support of CYMBALS AT DAWN and preparing to begin work on his next album. The as-yet-untitled project is scheduled for a fall 2005 release.
