## **The Bob Burger Band Makes Final Appearance Wonder Bar in Asbury Park, Saturday, February 24 at 10PM**

Asbury Park, New Jersey (PHANTOM POWER PRODUCTIONS) February 20, 2007 - The Bob Burger Band led by Jersey Shore singer/songwriter Bob Burger, makes it's final appearance at the Wonder Bar in Asbury Park on Saturday, February 24 at 10 p.m. The Wonder Bar, 1 of 4 area establishments sold to Asbury Park developers Asbury Partners last month will be closed for business next month and ultimately demolished to make way for planned construction along Ocean Avenue.

Musician Lance Larson and partner Debbie DeLisa reopened The Wonder Bar in 2001 hosting both local and national acts and making the venue a focal point on the Asbury Park music scene. The Bob Burger Band featuring Jimmy Leahey (John Waite), Jerry Gaskill (King's X) and Rob Tanico (Highway 9) has made a home at The Wonder Bar and is one of many original acts displaced by further Asbury Partner acquisition.

Asbury Partners, the company in charge of the oceanfront redevelopment plan, now controls nearly 60% of the venues providing original music in town - and all of the largest venues - are now under their control. An online petition (<http://www.asburymusic.com/petition>) was created by Gary Wien (Upstage Magazine, AsburyMusic.com) to show interest in keeping The Wonder Bar alive as a music venue and now an all-day concert/rally will be held on Saturday, March 10th at the venue as well.

Bob Burger recently hosted a release party at The Wonder War for his second solo album *Surprise Party* which has already been hailed as a masterful composition laden with powerful, dynamic vocals and inherent airplay potential. And though this is not the last opportunity to see Burger in, what was for many fans their first taste of Bob in an electric context, it will be the last opportunity for a while as The Bob Burger Band has been booked at Windansea (Highlands, New Jersey) on June 8 which, as of now, is the only Burger venue which will host the entire electric line-up. This should keep loyal Burger fans baited as most were present for his highly acclaimed performance at The Jersey Shore Rock-N-Soul Revue's tribute to The British Invasion led by Bobby Bandiera over the weekend at Count Basie Theatre in Red Bank, New Jersey.

The Wonder Bar is located at 5th & Ocean Avenue in Asbury Park, New Jersey directly across from Convention Hall.
