Music and Entertainment, New Jersey:

S **JERSEY SHORE SINGER/SONGWRITER BOB BURGER TO RELEASE
HOLIDAY EP ENTITLED *CHRISTMAS CAN'T WAIT* DECEMBER 13, 2007**

NEW JERSEY (PHANTOM POWER PRODUCTIONS) November 26, 2007 – Nearly one year do the date of Bob Burger's second solo release Surprise Party, Bob Burger is set to release a holiday EP entitled Christmas Can't Wait on his independent BIG BRAVE Music label. The much anticipated release will be celebrated with a performance and launch party at The Celtic Cottage, 608 Second Avenue in Long Branch on Thursday, December 13 at 9 PM.

"Just five little songs to carry us through the season. Hope yours is a great one!" says Burger. Two sample tracks off Christmas Can't Wait are currently available for review at Bob Burger's MySpace page, www.myspace.com/bobburgermusic.

The Christmas Can't Wait release comes at the end of a stellar year for Burger beginning with the December, 2006 release of his second solo album Surprise Party (BIG BRAVE Music) which is currently nominated for Album of the Year by Kweevak Music Magazine, a coveted honor for independent musicians and an award he previously won for his debut solo release Cymbals At Dawn. His busy touring schedule in support of Surprise Party was highlighted by multiple appearances as a member of Bobby Bandiera's Jersey Shore Rock-N-Soul Revue, a concert series presented by Count Basie Theatre, opening engagements for national recording artists Hootie and the Blowfish, Southside Johnny and The Asbury Jukes and Gary U.S. Bonds, and band leader among an impromptu jam session of musical legends including Jon Bon Jovi, Paul McCartney, Billy Joel, Jimmy Buffet and Roger Waters at Bon Jovi's Labor Day Hamptons bash which captured the attention of local and national media outlets and spawned a number of interviews including New York Daily News headlines and an on-air appearance with Jim Kerr on the Jim Kerr Rock-N-Roll Morning show on New York's Q104.3 (interview available at <http://www.phantompowerproductions.com/kerr-burger-090507.mp3>). Burger also received three Asbury Music Award nominations this November for Top Male Vocalist, Top Pop Band for The Bob Burger Band and Best Thing to Happen in 2006/07, for his performance at Bon Jovi's September 1st party.

Fans who loved Cymbals At Dawn and Surprise Party will not be disappointed with Christmas Can't Wait. Combining the spirit of the season with his inherent flair for infectious melody and commanding lead vocals, Burger remains consistent with his gold-record-award-writing credential producing an EP of three original tracks and two holiday standards.

Track List:

1. Gonna Be Christmas
2. Santa's Gonna Crash (Right Through The Ceiling)
3. Ave Maria
4. Christmas In Killarney
5. Happy New Year To Ya

Christmas Can't Wait will be available for purchase this holiday season at Jack's Music Shoppe in Red Bank and is being offered at select live performances to fans at the unbeatable rate of "Name Your Own Price."

Bob Burger is currently finishing up 2007 with limited dates in Monmouth County including a performance alongside Bobby Bandiera at his All Star Benefit Show for the Valerie Foundation at Count Basie Theatre on December 21 and as part of Glen Burnik's ensemble at this year's Xmas Xtravaganza to benefit area food banks and other local charities also at Count Basie Theatre on December 22.
